Public Meeting to Discuss the Proposed Operating Budgets & Tax Rates for 2022-2023

Thursday, August 25, 2022
6:00pm

Tonight's Presentation Will Discuss...

- ❖ **The Edgewood ISD 2022-2023 proposed district budgets based on 985 Refined ADA/Enrollment of 1042:**
 - **199 - General Operating**
 - **240 – Cafeteria**
 - **511 - Debt Service**
 - **Truth in Taxation Appendix**
- ❖ **The Edgewood ISD 2022-2023 proposed Tax Rate:**
 - **M&O \$0.9429**
 - **I&S \$0.173246**
 - **Total \$1.116146**

Edgewood ISD 2022-2023 Proposed Budget Review...199 - General Operating

❖ **Changes/amendments proposed for this year's 199 - General Operating Budget include...**

- **Increase in the teachers salary schedule, 2% raise increase for all other employees, and stipend increases**
- **In Function 31, counselor salary moved from ESSER III to 199**
- **In Function 36, increase due to stipend increases, increase of contracted services (referee pay), per mile increase (gas prices), purchasing band uniforms**
- **In Function 52, we increased the budget by 134.8%. This includes: additional officer, guardian plan stipends, fencing/gates, door enhancements, insurance, safety expert compliance**
- **Built in August 23 Retention Stipends**
- **We are presenting a balanced budget for the 2022-2023 school year**

Edgewood ISD 2022-2023 Proposed Budget Review...240 - Cafeteria

- ❖ **Changes/amendments proposed for this year's 240 - Cafeteria Services Budget include...**
- **The last 2 years the Cafeteria was Seamless Summer Option (SSO), which means all students ate breakfast and lunch for free. Beginning 2022, districts are returning to the regular National School Lunch Program (NSLP). Parents/Guardians must complete applications to be eligible for free/reduced meals**
- **We do not expect a surplus in revenue as we have experienced over the past two years**
- **Supplies and food costs have increased**
- **We do expect we will have to cover costs for the cafeteria out of the cafeteria fund balance**

Edgewood ISD 2022-2023 Proposed Budget Review...511 - Debt Service

- ❖ **Changes/amendments proposed for this year's 511 - Debt Service Budget include...**
- ❖ **Contains a proposed additional up to \$100,000 paydown on 2012 Bond with fees associated with that IF tax collections come in as they have historically**

Truth in Taxation Requirements

- ❖ Chapter 26 of the Texas Property Tax code requires that an officer be designated by the taxing entity to calculate the No-New Revenue and Voter-Approval rate for the entity.
- ❖ This person must be licensed as a Registered Tax Assessor.
- ❖ In lieu of a district employee being required to obtain the license necessary, Pamela Goll, Interim Van Zandt County Chief Appraiser, was designated in July of 2022, by the Board to act on the school's behalf, signing the necessary paperwork.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voter approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

This worksheet is for school districts without Chapter 313 agreements only. School districts that have a Chapter 313 agreement should use Comptroller Form 50-884 Tax Rate Calculation Worksheet, School Districts with Chapter 313 Agreements. Water districts as defined under Water Code Section 49.001(1) do not use this form. Use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet. All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease.

SECTION 2: Voter-Approval Tax Rate	
The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates. 18 Tex. Tax Code §26.08(a)	
1. Maximum Compressed Tax Rate (MCR): A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment. 19 Tex. Ed. Code §48.253(1)(a)(i)	
2. Enrichment Tax Rate (OTR): 20 Tex. Tax Code §26.08(a) and 21 Tex. Ed. Code §48.253(1)(a)(ii). A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into golden pennies and copper pennies. School districts can claim up to 8 golden pennies, not subject to compression, and 8 copper pennies which are subject to compression with any increases in the guaranteed yield. 21 Tex. Ed. Code §48.253(1)(a)(iii) and 48.253(2)	
3. Debt Rate: The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue. The MCR and DTR added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service. 22 Tex. Ed. Code §48.02(a)	
If a school district may adopt a M&O tax rate that exceeds the MCR in order to maintain the 2022-2022 school year basic allotment if it meets certain requirements and receives approval from TEA. Refer to Education Code, Section 48.2553 for more information.	
A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election. 23 Tex. Ed. Code §48.114(a)(4). Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit. 24 Tex. Ed. Code §48.114(b)(1)	
Districts should review information from TEA when calculating their voter-approval rate.

29.	Total 2022 debt to be paid with property tax revenue. Debt means the interest and principal that will be paid on debts that: (1) Are paid by property taxes, (2) Are secured by property taxes, (3) Are scheduled for payment over a period longer than one year, and (4) Are not classified in the school district's budget as M&O expenses. A. Debt includes contractual payments to other school districts that have incurred debt on behalf of this school district, if those debts meet the four conditions above. Include only amounts that will be paid from property tax revenue. Do not include appraisal district budget payments. If the governing body of a taxing unit authorized or agreed to authorize a bond, warrant, certificate of obligation, or other evidence of indebtedness on or after Sept. 1, 2022, verify if it meets the amended definition of debt before including it there. Edgewood ISD 2022-2023 Proposed School Tax Rate

- ❖ School district tax rates are comprised of two separate tax rates...
 - #1 - The Maintenance and Operations (M&O)
 - tax rate brings in revenue to pay the operating expenses associated in running the schools
 - building maintenance, grounds maintenance, building improvements, employee salaries, utility bills, classroom supplies, technology equipment, safety and security, and professional development
 - #2 - The Interest and Sinking (I&S)
 - tax rate brings in revenue to pay voter approved bond principal and interest
 - current Edgewood bonds were approved by the voters several years ago to build the current high school and gym complex, renovate existing buildings, built vocational classrooms and shop, dressing rooms, concession stand and restrooms, bleachers, tennis courts, resurfaced the track, sixth grade wing, asbestos abatement, and floor coverings
- ❖ The M&O tax and the I&S tax are combined together to create the **TOTAL TAX RATE**.

M & O Tax Rate Compression by HB 3....Year 4

- ❖ During the 2018-2019 State Legislative session, sweeping school finance reform was voted into law that specifically impacted the tax rate districts are allowed to approve.
- ❖ The M & O Tax Rate was compressed again by law to .9429
- ❖ The I & S rate will be .173246 to pay for existing debt.
- ❖ The proposed EISD tax rate will be \$1.116146 which is a decrease in the total tax rate. Unfortunately, due to an approximate \$54,464,561 increase in total taxable value, adjusted over last year, which is determined by the Appraisal District, some tax payers may see an increase in their taxes.
- ❖ The property tax rate will be an effective 18.38% increase in the tax rate.
- ❖ This tax rate will raise more taxes for maintenance and operations than last years tax rate.
